

DHEA 50

Micronized, plant-sourced DHEA formulated in a lipid matrix to bypass the liver, with a particle size of less than 50 microns. Derived from non-irradiated and non-ethylene-oxide-treated wild yam.

Suggested Use

As a dietary supplement, for women ½ to 1 tablet per day; for men 1 tablet one or two times per day; or as directed by a health care professional.

WARNING: Not for use by individuals under the age of 18 years. Do not use if pregnant, may become pregnant, or nursing. Do not exceed recommended serving. If you have a hormone-sensitive medical condition (or a family history of one), consult a healthcare professional before use. DHEA may affect levels of other hormones, such as progesterone, estrogen and testosterone.

KEEP OUT OF REACH OF CHILDREN.
