

Micro Liposomal C

Non-GMO vitamin C, in pure essential phospholipids from Non-GMO sunflower lecithin. The soy-free liposomes are several times smaller than other vitamin C liposome products.* Pours freely as a liquid and tastes great.

Suggested Use

As a dietary supplement, 1 teaspoon at least ten minutes before meals, one to three times daily, or as directed by a healthcare practitioner.

Use within 60 days of opening. If pregnant, breast-feeding or planning to become pregnant, consult your physician before use. Refrigerate upon opening. May be kept in freezer for longer term storage.

Variations in consistency may occur.
