

## Selenium High Dose Drops

Pure concentrated sodium selenite solution.  
The daily sodium intake in sodium selenite  
is nutritionally insignificant.

### Suggested Use

As a dietary supplement, 1 drop one to three  
times daily with food, or as directed by a  
healthcare practitioner. Refrigerate after opening.  
Taking more than 400 µg of selenium per day  
from all sources should only be done under the  
guidance of a healthcare professional.  
Appropriate for food-sensitive individuals.
