

Joint-Skin

with Salmon Collagen and Proteoglycans

Joint-Skin contains SCP-II salmon nasal cartilage, naturally extracted from sustainably caught wild salmon. Each capsule contains 6.5 mg undenatured type II collagen and 5 mg undenatured proteoglycans. Joint-Skin supports the health and hydration of connective tissue, joints, and skin.*

Suggested Use

As a dietary supplement, 1 capsule one to three times daily, or as directed by a healthcare practitioner. May be taken with or without food.

Store in a cool, dry place, tightly capped.
