

MUSCLE FEAST CREATINE CANDY

Creapure® is a form of creatine monohydrate and is widely considered to be the purest and finest quality creatine monohydrate on the market today. Made by Alzchem in Germany it undergoes a slightly different manufacturing process to make it "purer", which is one of the reasons it's the preferred creatine for many professional strength, speed, and power athletes. Now available in a convenient and delicious candy tablet.

SUGGESTED USE: As a dietary supplement, take three (3) to five (5) tablets daily, or as recommended by your doctor.

OUR PROMISE TO YOU

We guarantee our supplements to be the freshest and purest available. Muscle Feast supplements are manufactured under the strictest HACCP, FDA, and Kosher standards, producing the highest quality and purest supplements available. Our raw ingredients undergo state of the art analysis to ensure zero impurities and strict adherence to product labeling.
