

A DIETARY SUPPLEMENT

CHROMIUM CRUCIFERATE™ is a scientifically-designed dietary supplement containing natural complexes of chromium, as controlled by nature, and not by man. The hydroponically-cultivated mustard greens bind trivalent chromium to bioavailable phytochelatins. Also present are Isothiocyanates, Sulfurophanes and naturally occurring anti-oxidants. Chromium Cruciferate™ is free of corn, soy, yeast, wheat and common food allergens. Contains no hexavalent chromium.*
