The Power of Plant-based Protein

RESEALABLE POUCH

A Delicious Daily Shake that Enhances Immunity,
Increases Protein Intake, and Helps with Weight Loss*

Body Ecology® Immune Power Shake delivers unbeatable, complete nutrition in a great-tasting, vegan, gluten-free shake.*

THE EIGHT MEDICINAL MUSHROOMS IN THIS BLEND

- Are backed by robust science, research, and a long history of traditional use.
- Contain powerful compounds and nutrients that modulate and enhance the immune system.
- Deliver powerful beta glucans and B Vitamins.
- Come from the mycelium—not the fruit body—and are easier to digest. The mycelium produces an array of powerful enzymes that provide numerous health benefits including supporting gut health, sports performance, recovery, and overall wellness.

WHY DRINK IMMUNE POWER SHAKE?

- Supports and balances your immune system.
- Provides a feeling of satiety to help reduce calories for weight loss.
- Helps improve muscle mass when coupled with exercise.
- A vegan source of easily digestible protein for daily health or to complement intake of animal protein.

Suggested use: 1 scoop per day mixed with 10-12 oz. of water or other liquid, such as unsweetened oat milk or rice milk.
