OWANT

OsteoVantiv™ is designed to comfort sore joints and promote joint flexibility in healthy people following exercise. It features a clinically effective dose of UC-II®, which has been shown in research to support joint health. OsteoVantiv also features a proprietary, enriched form of THIAA—a breakthrough ingredient for enhanced joint relief.*

Directions: Take one tablet twice daily with food or as directed by your healthcare practitioner.

This product is Gluten Free.

Caution: Do not use if pregnant or nursing, or taking anticoagulants. If taking other medication, consult your healthcare practitioner before use. Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
