STORE IN A COOL, DRY PLACE.
KEEP AWAY FROM CHILDREN.
TAMPER RESISTANT PACKAGE.

Most calcium supplements either contain irritating sources of calcium or contain too much magnesium which can block calcium absorption. This product contains a biochemically balanced blend of ionizable calcium lactate with magnesium citrate.

Pregnant and lactating women, as well as persons under medical care or on prescription drugs should always consult with physician before consuming this or any other supplement.

Contains no stearates, stearic acid, genetically engineered materials, soy, milk/dairy, corn, artificial flavors, coloring or preservatives.
