

MONEY-BACK GUARANTEE

French grape seed extract features powerful health-promoting nutrients called oligomeric proanthocyanidins (OPCs) that support overall health.

Clinical OPC® EXTRA STRENGTH delivers 400 mg of VX1®, a unique French grape seed extract. It's standardized for only small sized OPCs to better ensure absorption. Large OPCs (tannins) in grape seed extract cannot be absorbed.

Recommendations: 1 softgel daily, may take up to 3 times a day for enhanced benefits. If pregnant or nursing, consult a healthcare practitioner before use.
