

FloraSil is a premium vegetal silica supplement that helps provide the silica you need to maintain strong, healthy hair, nails, and skin.* Prepared using an aqueous extraction method developed and patented by Dr. Louis Kervran, FloraSil provides a highly bioavailable silicate in the preferred form of orthosilicic acid.*

FloraSil provides your body with the silica it needs to restore and maintain natural beauty.

- Supports the growth of strong, flexible nails and lustrous hair*
- Helps maintain the elasticity and suppleness of the skin*
- Supports healthy skin, connective tissues, joints, and bones*
