Consult a health care practitioner prior to use if you 1) are pregnant or breastfeeding 2) have gallstones or a bile duct obstruction 3) have stomach ulcers or excess stomach acid.

FLORA

ADVENTURE IS CALLING

At Flora, our Pacific Northwest roots call us to climb mountains, explore the ocean, and run new distances. The adventures are limitless. Rain or shine. From exploring new trails, to running longer distances, getting a PR on your power clean, or just keeping up with your kids at the park—we know your body needs clean, wholesome fuel to run its best. That's why we created **Omega Sport+**, an oil that pushes the boundaries, including omega-3, -6, and -9, plus MCTs, turmeric, and vitamin D. This is no ordinary oil blend, this is fuel for your life, so you can push the boundaries on what is possible.

Omega Sport+ provides the foundation for good health by providing your body with the essential fatty acids it requires. We're talking about omega-3, -6, & -9, which are the healthy fats your body needs. The addition of medium-chain triglycerides (MCTs) further supports energy production in the brain, heart, and muscles.* **Omega Sport+** includes turmeric, which in addition to being an anti-inflammatory, also aids in digestion.* Vitamin D supports bone health.*

Omega Sport+ is thoughtfully bottled in recyclable amber glass bottles, because Flora believes in keeping our environment as clean as our products.

Easy to mix in protein shakes, smoothies, coffee, or any other types of beverages for sustained energy.

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Omega Sport+ provides more energy, more strength, and more adventure. This is no ordinary oil, because you are no ordinary athlete.
