

Lowers Cholesterol*

Kyolic® Aged Garlic Extract™ begins with 100% organically† grown garlic bulbs. They are then aged to perfection in a unique extraction process to eliminate odor and create beneficial compounds found only in Kyolic. Kyolic 107 introduces Aged Garlic Extract with phytosterols in a unique, synergistic combination. Foods containing 0.4g per serving of plant phytosterols, eaten twice a day, for a total intake of 0.8g, as part of a diet low in saturated fat and cholesterol, may reduce the risk of heart disease. Taken as suggested, Kyolic 107 supplies 0.8g of phytosterols per day.

(† in compliance with the California Certified Organic Farmers).

Do not use if cap drop ring or inner seal is broken or missing.

*See above paragraph for information on phytosterols and heart disease.
