

USAGE: Take 1 softgel 1 or 2 times per day with a meal or as directed by your qualified health care consultant.

TocoSorb® tocotrienol-vitamin E complex utilizes SupraBio® enhanced absorption system. Tocotrienols protect cardiovascular function by affecting biosynthesis of cholesterol and reducing oxidation of low density lipoprotein (LDL-Cholesterol).* TocoSorb® also maintains healthy brain functions.*

Typically, bioavailability of tocotrienols is low. Patented SupraBio® specialized lipid mixture enhances tocotrienol uptake 2 to 3 times. TocoSorb® is derived from natural full spectrum palm oil.

Keep out of the reach of children.
