A primary ingredient in most Ayurvedic hair oils, bhringaraj promotes strong, healthy hair growth and helps maintain the hair's natural color and luster. It is one of the best rejuvenatives for pitta and has a special affinity for the head. Bhringaraj promotes healthy nails, bones, teeth, and a clear complexion. It calms the mind, bolsters the memory, and supports healthy eyes and ears. Bhringaraj is also an excellent liver cleanser and supports proper function of the lungs.*
