Guggulu powder

Promotes detoxification and rejuvenation*

Helps maintain healthy cholesterol levels already in the normal range*

Carries other herbs deep into the tissues*

Supports comfortable movement of the joints*

Purified in a triphala decoction, guggulu resin (*Commiphora mukul*) is a penetrating herb that scrapes out naturally accumulating toxins from the body channels. It is renowned for its ability to carry other herbs with it deep into the tissues. Guggulu's powerful detoxifying and rejuvenating qualities are directed to specific systems of the body by the herbs that accompany it. As such, it is the basis for an entire class of traditional Ayurvedic formulas known as guggulus. Its scraping action helps maintain healthy cholesterol levels already in the normal range.*

Suggested Use: ½ to ¼ teaspoon with warm water, once or twice daily, or as directed by your health practitioner.

Not to be used during pregnancy. If you are nursing, taking medications, or have a medical condition, please consult with your health care practitioner prior to the use of this product.
