Helps to maintain cardiovascular health*

Supports proper function of the heart*

Helps maintain healthy cholesterol levels already
within the normal range*

Supports healthy circulation and maintains clear
arterial channels*

Hawthorn berries (*Crataegus spp.*) are one of the most popular herbs for promoting heart health in the West. They are particularly good for vata-related heart imbalances. Hawthorn berries calm the heart and nerves and promote longevity. They help to keep the channels in the circulatory system clear and to maintain healthy cholesterol levels already within the normal range.*

Suggested Use: ¼ to ½ teaspoon with warm water, once or twice daily, or as directed by your health practitioner.

If you are pregnant, nursing, taking medications, or have a medical condition, please consult with your health care practitioner prior to the use of this product.
