Immune Health NOW

This blend of Ayurvedic powerhouse herbs was intentionally formulated for the 2020 season. The ingredients work synergistically to fortify a healthy immune system and strengthen a healthy respiratory tract.*

Suggested Use:

Combine ½ teaspoon herbal mixture with 1 teaspoon honey and blend together to make a paste. Take directly from the spoon or add to warm water and drink as a tea. Take two times daily after meals. For acute relief, take three times daily. For a vegan option, use maple syrup in place of honey.

Not to be used during pregnancy. If you are nursing, taking medications, or have a medical condition, please consult with your health care practitioner prior to the use of this product.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
