## Kanchanar Guggulu powder

Breaks down deep-seated kapha\*

Supports proper function of the thyroid and the lymphatic system\*

Promotes elimination of natural toxins\*

Kanchanar Guggulu is a traditional Ayurvedic formula used for addressing deep-seated kapha imbalances. Kanchanar is a very astringent herb that helps to counter the moist, stagnant qualities of kapha. When mixed with triphala, trikatu, and guggulu it becomes a powerful detoxifying agent that removes excess kapha from the tissues. In India, Kanchanar Guggulu is commonly used to support the healthy function of the thyroid and to cleanse the lymphatic system. It also helps minimize the future accumulation of kapha by enkindling the digestive fire and promoting healthy elimination.\*

**Suggested Use:** ⅓ to ¼ teaspoon with warm water, once or twice daily, or as directed by your health practitioner.

**Not to be used during pregnancy. If you are nursing, taking medications, or have a medical condition, please consult with your health care practitioner prior to the use of this product.**
