

Ultra Flora Restore Dairy Free is designed to be taken daily to support digestive health and maintain general wellbeing. Scientifically formulated, **Ultra Flora Restore Dairy Free** contains exclusive and extensively researched probiotics to enhance the growth of beneficial intestinal bacteria, support gut tissue restoration and to maintain healthy digestive system function.

Vegetable capsules (VegeCaps) may be preferred by people wishing to avoid gelatin for health or religious reasons.

NCFM® is a registered trademark of DuPont. LGG® is a registered trademark of Chr. Hansen A/S.

Do not use if cap and/or bottle seals are missing or broken.
