helps convert food into energy*

helps support brain health*

supports normal antioxidant function*

Youtheory[®] B12B6 is a combination of essential nutrients that support proper metabolism of DNA, proteins, carbohydrates, and fats – converting food into cellular energy. Sufficient intake of these two important vitamins helps to promote our body's natural antioxidation and detoxification systems, while supporting brain health and overall well-being.

This berry-flavored, ready-to-drink B12B6 formula helps provide energy and brain health support in an easy to carry, convenient packet, perfect for your busy lifestyle.

Usage Warnings: Check with your doctor before using this product if you are taking medication or have any medical conditions. Do not use if you are pregnant or nursing. Do not exceed the recommended daily intake. Not intended for persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool and dry place after opening.
