Our **Proprietary Probiotic Blend** contains three well-defined probiotic strains that have undergone genetic testing for identification. DNA-verification helps to guarantee the purity, potency and safety of this product.

XOS prebiotics are supported by strong clinical publications and work at a dramatically lower dose than most prebiotics...without the uncomfortable side effects.* XOS has been shown to boost levels of beneficial Bifidobacteria in the human gut.*

Usage Warnings: Check with your doctor before using this product if you are taking medication or have any medical conditions. Do not use if you are pregnant or nursing. Do not exceed the recommended daily intake. Not intended for persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool and dry place after opening.
