Discussion: Omega 3 is a source of omega-3 fatty acids, eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA) for the maintenance of good health, and helps support cardiovascular health as well as cognitive health and eye function.*

Directions: Take one to two softgels daily with/without food, or as directed by a qualified health care practitioner.

Caution: Consult your physician before use if you're pregnant, breastfeeding, have a medical condition, or if you're taking any medication. Keep out of reach of children.
