

Directions: Dissolve one (1) level scoop in 4 oz of water or adjust the amount of water to desired taste. Drink one to two times daily, as directed by your healthcare practitioner.

Warning: Individuals taking medication, children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

Brain MagX is an innovative brain boosting formula in a wild blueberry flavor containing extensively studied and clinically proven nootropic ingredients: **Magtein®** (magnesium L-threonate), the only form of magnesium proven in animal studies to cross the blood-brain barrier and effectively elevate magnesium levels in the brain. This is vital to healthy cognition; including long- and short-term memory, learning, eliminating brain fog and boosting overall mood. **Cognizin®**, the best-in-class, patented Citicoline backed by 48+ studies and published articles, is a powerful nootropic nutrient clinically proven to support many areas of brain health, including: brain cell membrane formation, memory, mental energy, focus, attention, dopamine receptor health, appetite modulation, optimal vision and healthy motor speed.*

Storage: Keep tightly closed in a cool, dry place. Keep out of reach of children.

Formulated to Exclude: Fillers, gluten, wheat, soy, corn, yeast, animal or dairy products, shellfish, fish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMO's), artificial preservatives, sweeteners or colors.
