

Directions: Take one (1) capsule one to two times daily, or as directed by a healthcare practitioner.

Warning: Individuals taking medication, children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

Glutathione GOLD™ is a well-absorbed form of Glutathione formulated with patented **Emothion® Crystalline S-Acetyl Glutathione (GSH)**. As a result, its absorption and bioavailability are far greater than ordinary and even reduced-form L-Glutathione supplements. Absorption and stomach-acid resistance is further optimized by utilizing a **DRcaps® enteric-coated capsule**. Numerous studies show S-Acetyl Glutathione's many benefits, including: raising intracellular Glutathione, neutralizing free radicals, lowering oxidative stress, as well as supporting liver detoxification, immune system function, vibrant skin and healthy aging.*

Storage: Keep tightly closed in a cool, dry place. Keep out of reach of children.

Formulated to Exclude: Fillers, gluten, wheat, soy, corn, yeast, animal or dairy products, shellfish, fish, peanuts, tree nuts, egg ingredients derived from genetically modified organisms (GMO's), artificial preservatives, sweeteners or colors.
