

Directions: Dissolve one (1) scoop with 6 fl oz of pure water. Drink one to two times daily, or as directed by a healthcare practitioner. For optimal results, consume in the morning on an empty stomach, before bedtime or 30 minutes prior to meals. If detox symptoms occur, lower the dose to a 1/4 scoop and slowly increase to the full dose.

Warning: Individuals taking medication should discuss potential interactions with their healthcare practitioner. Children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

Leaky Gut Defense™ is an advanced vegan-friendly supplement formulated to support Dysbiosis (leaky gut syndrome) and overall gastrointestinal (GI) health. This mild flavored Non-GMO formula includes key ingredients for improved gastrointestinal lining function and integrity. L-Glutamine, a very effective intestinal and immune system health compound, serves as the preferred fuel source for the mucosal lining of the GI tract. Arabinogalactan extracted from the Larch tree assists in stimulating immune system response and helps maintain optimal insulin levels. Deglycyrrhizinated licorice (DGL), processed to reduce side effects commonly associated with licorice, supports the natural mucus lining of the stomach and intestinal wall. Aloe Vera, rich in enzymes, is utilized to promote GI healing while encouraging the development of beneficial bacteria in the gut.*

Storage: Keep tightly closed in a cool, dry place. Keep out of reach of children.

Formulated to Exclude: Fillers, gluten, wheat, soy, corn, yeast, animal or dairy products, shellfish, fish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMO's), preservatives, artificial sweeteners or colors.
