

Directions: Take one (1) capsule one to two times daily, or as directed by a healthcare practitioner.

Warning: Individuals taking medication, children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

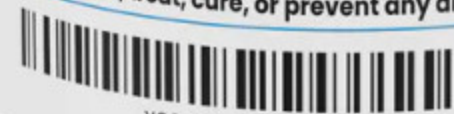

Please Note: Natural color variations from light yellow to bright orange may occur between lots.

Methyl B Complete™ is a cutting-edge formula comprised of 5 key nutrients: **Quatrefolic® Folate** for maximum MTHFR support, trimethylglycine, a super-bioactive blend of Vitamin B12 (including patented **MecobalActive® Methylcobalamin**), as well as Vitamin B6 in its coenzyme form and the highest-quality Vitamin B2 (Riboflavin). This synergistic formula is responsible for supporting healthy homocysteine levels, vibrant energy production, optimal detoxification, a robust metabolism, and peak cognitive function.*

Storage: Keep tightly closed in a cool, dry place. Keep out of reach of children. For optimal freshness, do not discard desiccant.

Formulated to Exclude: Fillers, gluten, wheat, soy, corn, yeast, animal or dairy products, shellfish, fish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMO's), artificial preservatives, sweeteners or colors.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**
