

Directions: Take one (1) capsule daily, in the morning, with a meal or as directed by a healthcare practitioner.

Warning: Individuals taking medication, children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

MicroActive® Oligonol® is a unique evidence-based body composition and skin health polyphenol formula. This powerful 12-hour sustained release supplement offers 2.39x GREATER bioavailability than standard Oligonol. The result – **ONE CAPSULE per day is equivalent to 239mg Oligonol (the daily dose required for body composition support)**. Oligonol is the first ever low-molecular-weight polyphenol extract. It's supported by 30 human clinical trials and offers excellent absorption with multiple beautifying benefits. It addresses the three major causes of aging: poor blood circulation, cell oxidation and inflammation. Oligonol has been clinically proven to support the following: healthy post-meal blood glucose and lipid levels, ideal body composition, reduced visibility of skin wrinkles and brown spots, and energy production and endurance.* Studies have shown that Oligonol supports circulation by supporting relaxed blood vessels, acts as a potent free radical fighter (8,900 ORAC), and supports a healthy response to inflammation.*

Storage: Keep tightly closed in a cool, dry place. Keep out of reach of children.

Formulated to Exclude: Gluten, wheat, soy, corn, yeast, animal or dairy products, shellfish, fish, peanuts, egg, ingredients derived from genetically modified organisms (GMO's), preservatives, artificial sweeteners or colors.
