

Directions: Take one (1) to two (2) capsules per day, or as directed by a healthcare practitioner.

Please Note: For those unable to swallow capsules, open capsule and release the contents into water, juice or blend in apple sauce. Consume immediately after mixing. Do not heat.

Warning: Individuals taking medication, children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if you have severe immune suppression condition. If taking anti-fungal(s), consume at least 2 hours prior or after. Do not use if tamper seal is damaged.

Saccharomyces 10B delivers a minimum 10 billion CFUs[†] (colony-forming units) of *Saccharomyces boulardii* per daily serving to promote optimal gastrointestinal health.

CNCM I-3799, our unique strain, survives stomach acid to protect the beneficial organisms of the intestine. Additionally, it supports the microflora, thereby promoting healthy immunity, digestion & gut health. Strain-verified through genetic typing to ensure maximum efficacy. Room temperature stable; no refrigeration necessary. Safe for children and pets.*

Storage: Keep tightly closed in a cool, dry place out of reach of children. Does not require refrigeration. †Full potency guaranteed until expiration date when stored under proper storage conditions.

Formulated To Exclude: Fillers, gluten, wheat, soy, corn, animal or dairy products, shellfish, fish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMO's), artificial preservatives, sweeteners or colors.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
