.5 FL OZ (15 ML) DROPS

PROFESSIONAL DIETARY
SUPPLEMENT

WHY YOU NEED BOTH MK-4 & MK-7

The two forms are distributed differently and activate different proteins in the body - both are equally essential for good health.*

MenaQ7®
Vitamin K2 as MK-7

A Patented Form of Natural MK-7 Derived from Chickpea Fermentation

MenaQ7® MK-7 is a registered trademark of NattoPharma ASA, Norway. Patents granted and pending.

Geraniol MK-4

CO2 extracted from Geranium flowers. Bioidentical all-trans form MK-4 supports muscle & cardiovascular function as well as mood, skin & hormonal health.*

Organic MCT Oil

Vitamin K2 is fat soluble and must be taken with a lipid to properly absorb, so we utilize pure medium-chain triglyceride oil from organically grown coconuts as a carrier for maximum bioavailability and efficacy.*

THERAPRO RX

Directions: Shake gently before use. Take up to five (5) DROPS daily or as directed by a healthcare practitioner. For best results, place drop(s) directly on or under your tongue. Drops may also be placed into juice or water. Consume with meals containing healthy fats.

Warning: Individuals taking medication, children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

Storage: Keep tightly closed. Refrigerate for optimal freshness. May be kept in a cool, dry place away from direct sunlight. Keep out of reach of children.

Formulated to Exclude: Fillers, gluten, wheat, soy, corn, yeast, animal or dairy products, shellfish, fish, peanuts, egg, ingredients derived from genetically modified organisms (GMO's), artificial preservatives, sweeteners or colors.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
