

Conjugated Linoleic Acid (CLA) is a unique polyunsaturated fatty acid that has become a popular weight management supplement because of its potential ability to reduce body fat.* CLA is typically found in beef and dairy. Best Naturals CLA is derived from safflower oil and standardized to minimum of 75% potency.*

- › Supports weight management*
- › Supports healthy cardiovascular and blood pressure*
- › Supports optimum immune health*
- › Supports healthy cholesterol level*

SUGGESTED USE: As a dietary supplement, take two (2) softgels one to two times daily, preferably with meals, or as directed by your qualified healthcare professional.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
