

Folic acid, also known as Folate and Folacin, is part of the B Vitamin family of essential nutrients and is an important vitamin for women, especially around the time of pregnancy. It is also important for the regulation of homocysteine levels in the body within normal range.† Certain research publications indicate that Folic Acid may help support the following:

- Supports heart and cardiovascular health.†
- Supports healthy nervous system.†
- Supports healthy homocysteine level.†

SUGGESTED USE: As a dietary supplement, take one (1) capsule daily, preferably with a meal or as directed by your qualified healthcare professional.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
