Iron is an essential mineral that plays important roles in energy production, immune system function, and neurological health. Iron is a necessary component of hemoglobin, the protein in your blood that transports oxygen to your cells of the body, and myoglobin, which binds oxygen used in muscle tissue.† Certain research publications indicate that iron may help support the following:

- › Supports energy utilization.†
- › Supports healthy immune system.†

SUGGESTED USE: As a dietary supplement, take (1) tablet daily, preferably with a meal and drink plenty of fluids

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
