

SUGGESTED USE:

As a dietary supplement, mix 1 scoop daily with 6-10 oz of water or as directed by your healthcare professional.

Do not exceed 1 scoop or 3g in one sitting. Beta-Alanine may produce a slight flushing and/or prickly sensation which is harmless and will subside within hours of use.

WARNING: For healthy individuals 18 years and older. Consult a healthcare professional prior to use if you are pregnant or nursing, taking medication, or have a medical condition. Keep out of reach of children. Do not use if safety seal is broken or missing.

NOTICE: Store in a cool, dry place. Contents are sold by weight, not volume. Some settling may occur.
