

**SUGGESTED USE:**

As a dietary supplement, take 1 capsule daily with 8-12 oz of water or as directed by your healthcare professional.

The recommended dose of this product contains as much caffeine as about 2 cups of coffee. Do not consume more than 400 mg of caffeine from any source in a 24 hour period. Too much caffeine may cause nervousness, irritability, sleeplessness, and occasional rapid heart rates. In case of accidental overdose, seek professional assistance or contact a poison control center immediately.

**WARNING:** For healthy individuals 18 years and older. Consult a healthcare professional prior to use if you are pregnant or nursing, taking medication, or have a medical condition. Keep out of reach of children. Do not use if safety seal is broken or missing.

**NOTICE:** Store in a cool, dry place.
