Keep out of the reach of children.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

USAGE: Chew 2 tablets, during or shortly after a meal. For children age 2 and above, recommended to take under the supervision of a parent or caregiver. May take up to 4 tablets a day or as directed by your qualified healthcare professional.

Jarrow Formulas® Yum-Yum Dophilus® provides 4 strains of potent beneficial bacteria in a yummy chewable tablet. Beneficial intestinal flora can be depleted by a diet that is low in fiber, high in meat and sugar, by medication taken for illness and infections, by travel and by stress, etc. The result is the disruption of the normal intestinal microflora, which can affect digestion and well being.*

The friendly bacteria in Yum-Yum Dophilus® help maintain a balanced intestinal microflora, support immune function and promote health.*

Xylitol is used to enhance the taste and support dental health.*

Sugar-Free. No artificial sweetener, flavor or color.

Each tablet is individually blister packed for enhanced stability and convenience.
