SST THERMO

SST THERMO

SUGGESTED USE: Adults consume 1 to 3 scoops prior to workout or when an extreme boost of energy is desired, based off the **SST Self-Dosing System**. Start with one (1) scoop daily to assess tolerance and to match the levels of SST Original. Work your way up to two (2) scoops to feel the energy rush of SST V2X. Take three (3) scoops to harness the supercharged power of SST V3X. Do not exceed 3 scoops per day. This product should not be taken in combination with other products containing caffeine or other stimulants. Do not take within six (6) hours of bedtime. Please read entire label before use.
