FAST ACTING

Melatonin is a hormone naturally produced by the pineal gland that plays an important role in your body's natural sleep cycle.† Our Extra Strength Liquid Melatonin provides you with 10 mg of this naturally occurring hormone in a fast acting, easy-to-use formula.

This natural berry-flavored liquid is delicious, and one dropperful before bedtime can help support relaxation and a tranquil night's rest.† Extra Strength Liquid Melatonin is an excellent choice for travelers feeling the effects of jet lag, those experiencing occasional sleeplessness, or anyone who would like some fast-acting support for rest and relaxation.†

DIRECTIONS: SHAKE WELL before use. For adults, take one (1) dropperful (1 mL) 30 minutes before bedtime as Melatonin may produce drowsiness. As a reminder, discuss the supplements and medications you take with your health care providers.

WARNING: Not intended for use by pregnant or nursing women. If you are taking any medications or have any medical condition, consult your doctor before use. If any adverse reactions occur, immediately stop using this product and consult your doctor. Do not drive, operate machinery or consume alcohol when taking this product. Limit use to two months with a break of one week. Not intended for use by persons under the age of 18. If outer seal is damaged or missing, do not use. Keep out of reach of children. Store in a cool, dry place.
