

Daily Maintenance: Take 1 capsule per day on an empty stomach.

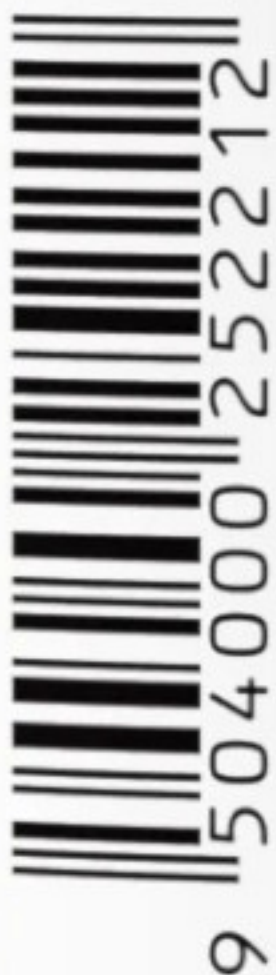

No Refrigeration Necessary: Store in a cool, dry place.

With an acid-resistant capsule, the beneficial bacteria in PRE+PRO are exposed to stomach acids for less time, allowing more bacteria to make it into your small intestine where they are needed most.

This formula is designed with five targeted Lactobacillus probiotic strains and 100 mg of prebiotic FOS to support gut and immune system health on a daily basis.^{Δ+}

Note: As with any dietary supplement, consult your healthcare professional. Do not use if tamper-evident seal is broken or missing. Keep out of reach of children.

^ΔWhen taken regularly as part of a balanced diet and healthy lifestyle.

Vegetarian; Non-GMO; Yeast Free; No Dairy, No Soy, No Gluten, No Wheat, No Nuts, No Preservatives, No Sugar, No Artificial Colors or Flavors.
