Developed with scientifically researched key ingredients

. Manufactured according to current Good Manufacturing Practices (cGMP) standards, as is required for all dietary supplements

EPIQ™ RUSH® – Ultra-Intense Thermogenic Powder

Intense training is crucial to achieving the results you desire - and just as important as your pre-workout supplement. EPIO TM RUSH is formulated with a powerful key ingredient designed to take your thermogenesis to the next level while promoting elite-level physical performance and endurance.*

What Makes the Formula **E**≥IQ™?

- Delivers raspberry ketones and green tea extract (supplying EGCG).
- Peak Performance Blend is fueled by citrulline nitrate, supplying a researched dose of 316mg of nitrates with two scoops for increased time to fatigue and superior oxygen utilization.
- Also features a dose of pure, dean caffeine anhydrous for increased thermogenesis and energy levels.
- Contains Cordyceps, A-GPC, coconut water powder, and two scoops delivers a full gram of taurine.
