¹Daily value not established

DIRECTIONS: As a dietary supplement, take one (1) rounded half-teaspoon mixed with four (4) ounces of liquid or as directed by your health professional. Wait for effervescence to stop before drinking. Use only dry measuring spoons. Keep tightly capped and moisture free.

NOTE: Ability of this product to effervesce can be affected by humidity. Full nutrient potency is retained even as effervescence may be reduced during extended storage.

WARNING: As with all potassium-containing food supplements, persons with renal insufficiency should consult their health professional before using this product.

STORAGE: Store this product in a cool dry place below 30°C. Product should also be stored in a freezer or refrigerator.

This product has not been evaluated by the Food and Drug Administration and is not intended to diagnose, cure, or prevent any disease.

WORLD CLASS SUPPLEMENTS

KEEP OUT OF REACH OF CHILDREN. Must be stored with cap on tightly in a cool, dry place. Do not use product if the tamper-resistant shrink band around the cap or the inner seal beneath the cap appears to have been tampered with or is missing.

DOES NOT CONTAIN: MSG, gluten, corn, starch, sugar, synthetic wax, zein, sulfate, phosphates (other than coenzymes), preservatives, casein or other milk derivatives.

NO GMO'S
