

The Benefits of Incontinix®

Efficient control of the bladder requires healthy bladder tone and function. Incontinix supports and improves bladder tone and promotes healthy bladder control in men and women.* Incontinix contains specialized herbal extracts of Horsetail, Crateva and Lindera, which all have a long history of traditional herbal use for healthy bladder function.*

Incontinix is a unique patented Australian formula that has been shown in clinical research to support healthy bladder function and rejuvenate tone.* Results are seen after 2-4 weeks of use.

Consumers are cautioned to read all labels and follow all directions. You should always consult with your healthcare practitioner before using this or any such product.
