Herbs That Work

From field to cup, we make sure our teas deliver the benefits of these amazing plants. To deliver consistent high quality teas, we source organically farmed or organically wild-collected herbs from ethical trading partnerships, seeking out medicinal-grade plants. Only a small fraction of the world's herb supply meets our high quality standards.

PLANT STORY

Fennel is beloved in herbalism for its ability to ease uncomfortable feelings of fullness, bloating and gassiness.* We source some of our favorite fennel from small, organic farms in Bulgaria that yield crops with a high essential oil content—a critical quality standard to bring you greater comfort.
