

Herbs That Work

From field to cup, we make sure our teas deliver the benefits of these amazing plants. To deliver consistent high quality teas, we source organically farmed or organically wild-collected herbs from ethical trading partnerships, seeking out medicinal-grade plants. Only a small fraction of the world's herb supply meets our high quality standards.

DAILY HERBAL

ORGANIC

Licorice Root

HERBAL POWER

Soothes the digestive tract and promotes respiratory health.*

TASTE

Sweet and earthy.

PLANT STORY

Called "sweet stalk" in Sanskrit and "sweet herb" in Chinese, licorice is loved around the world, not only for its sweetness, but for its role in supporting respiratory and digestive health.* We work closely with sustainable wild-collectors from Central Asia to source some of our favorite licorice.
