

Suggested Use: To meet the clinical dose of Meriva® curcumin, take four (4) capsules daily with food. Dosage may be increased if desired. Store in a cool, dry place.

Curcument Plus™ is an exclusive formulation of five of the most important and effective phytonutrients, harnessing the incredible antioxidant power of curcuminoids. Ayurvedic curcumin may help you fight and destroy free radicals before they can damage your system.

Please consult your healthcare practitioner before using any nutritional supplement, especially if you are taking medications on a regular basis, anticipate surgery, or are otherwise under medical supervision. Product not intended for use by children under 18 or women who are pregnant or lactating.
