

Herbs That Work

From field to cup, we make sure our teas deliver the benefits of these amazing plants. To deliver consistent high quality teas, we source organically farmed or organically wild-collected herbs from ethical trading partnerships, seeking out medicinal-grade plants. Only a small fraction of the world's herb supply meets our high quality standards.

DAILY HERBAL

ORGANIC

Raspberry Leaf

HERBAL POWER

Supports healthy menstruation and tones the uterus.*

TASTE

Robust yet delicate, like a mildly tannic black tea.

PLANT STORY

Raspberry leaf has been a girl's best friend for thousands of years, used for daily cycle support, menstrual cramps and during pregnancy to help prepare the womb for childbirth.* Some of our favorite raspberry grows wild in the rolling meadows of Bosnia and Herzegovina, where families collect the leaves by hand.
