

Herbs That Work

From field to cup, we make sure our teas deliver the benefits of these amazing plants. To deliver consistent high quality teas, we source organically farmed or organically wild-collected herbs from ethical trading partnerships, seeking out medicinal-grade plants. Only a small fraction of the world's herb supply meets our high quality standards.

DAILY HERBAL

ORGANIC

Spearmint

HERBAL POWER

A healthy, refreshing beverage.*

TASTE

Aromatic, minty and sweet.

PLANT STORY

Used throughout time in foods and body care products, spearmint is known to refresh and enliven the spirit. Freshen up inside and out with this rejuvenating and distinctly spearminty tea, sourced in part from a collective of organic farmers in Egypt that works to enhance their quality of life.
