

Potency Guarantee: Minimum of 1 billion cfu of live, active *L. bulgaricus* beneficial probiotic bacteria **LB-51 super strain** per two wafers guaranteed through expiration date, if kept **dry** and **refrigerated**.

Suggested Use: Chew two wafers, before or after meals or during periods of occasional indigestion.* May be taken on an empty stomach. Product removed from refrigerated bottle for daily use should be consumed within 24 hours for maximum potency. Do not give chewable wafers to children under four years of age to avoid the possibility of choking.

The **Trenev Process®**, a unique proprietary process, substantially increases the probiotic benefits by keeping the bacteria in their natural environment (supernatant) to ensure quality, eliminating the need for additives. For more information, please call for a complimentary brochure.

DO NOT FREEZE OR EXPOSE TO MOISTURE, HEAT OR DIRECT SUNLIGHT. DO NOT ACCEPT IF SEAL IS BROKEN. KEEP REFRIGERATED AND DRY TO MAINTAIN POTENCY GUARANTEE.
