

Potency Guarantee: Each capsule supplies a minimum of 2 billion cfu of live, active *L. acidophilus* beneficial probiotic bacteria **DDS-1 super strain** guaranteed through expiration date, if kept dry and refrigerated.

Suggested Use: Take one capsule daily with unchilled, filtered (chlorine-free) water before meals to optimize digestion*. Take **Megadophilus®** at least 2 hours apart from herbs, garlic and prescription drugs. For optimal results, take with Natren's **Bifido Factor®** and **Digesta-Lac®** as part of the **Healthy Trinity® System**. Do not give capsules to children under eight years of age to avoid the possibility of choking.
