

Potency Guarantee: Minimum of 2 billion cfu of live, active *L. acidophilus* beneficial probiotic bacteria **DDS-1 super strain** per gram (approx. 1/2 teaspoon) guaranteed through expiration date, if kept dry and refrigerated.

Suggested Use: Take one gram (approx. 1/2 level teaspoon) daily mixed with 6 oz. unchilled, filtered (chlorine-free) water, preferably before meals to optimize digestion*. Take **Megadophilus®** at least 2 hours apart from herbs, garlic and prescription drugs for optimal results. Take with Natren's **Bifido Factor®** and **Digesta-Lac®** as part of the **Healthy Trinity® System**.

The **Trenev Process®**, a unique proprietary process, substantially increases the probiotic benefits by keeping the bacteria in their natural environment (supernatant) to ensure potency and efficacy, eliminating the need for additives (such as FOS – a type of sugar).
